

Adult Services Program Fee Agreement Waiver

Adult Counseling Services at The Center for Family Safety and Healing will be billed through Big Lots Behavioral Health Services at Nationwide Children's Hospital.

Adult Services Program provides service regardless of ones ability to pay. Financial assistance and fee waivers are available to clients with financial hardship and safety concerns related to billing.

By signing below, the responsible party understands that their fee will be waived at this time but may be subject to to a review and reassessment of their financial situation and safety.

Please initial below signifying the reason for the fee waiver.

_____ Third-party payors (Medicaid, Medicare, private insurance, etc.) will not be billed as it is currently not safe for me or the third-party payor to be billed due to potential for harm/risk of life.

_____ Financial hardship causing inability to pay.
