

**The Center for Family Safety and Healing
2020-2025 Strategic Plan**

**A place for healing.
A vision for change.**

MISSION

The Center for Family Safety and Healing is dedicated to the wellbeing of children and families. Together, with our partners and communities, we support victims of family violence and advocate for social change to prevent abuse.

VISION

End family violence and create safe and thriving communities.

2020-2025 Strategic Plan

Family violence is pervasive and has lasting consequences.

We aim to help by:

- strengthening our crisis response
- prioritizing excellence in all services
- expanding our housing and supportive services
- working to prevent violence from happening in the first place

We will use research to inform **prevention** strategies to help **stop** family violence before it occurs.

We want to put family violence on the **agenda**. We will raise **awareness** with policymakers, service providers and the community so they know and understand how family violence **impacts** a person's overall **well-being** over the course of a lifetime.

Strategic Plan – Core Strategies

Act with urgency to respond to victims.

Provide integrated services to children and adults that focus on healing, prevent re-victimization and address racial disparities.

Provide housing and supportive services to victims and families so they can live safely and with self-sufficiency.

Stop perpetration of family violence.
